September 27, 1979

ATTENDANCE:

The regular meeting of the Williamson County Amateur Radio Club was held in the Jonah Community Center at Jonah, Texas. The meeting was called to order at 7:35 p.m. by the club President, Bob Petrosky, N5TT.

There were 7 members and 4 guests present. We also added a new member to the club, Mr. James Harkins, WB5ZRH, of Taylor.

The minutes of the last meeting were then given, and approved as read.

The Treasury report was then given by the club Treasurer, WB5TER.

There were no committee reports given at this time.

The subject was then discussed and a date approved for the club picnic. It is to be held on October 13, 1979, at 3:00 p.m., in the San Gabriel Park, Georgetown, Texas. Participants will bring their own food, and the club will provide the soft drinks.

It was then suggested by the President that the membership be thinking about the possibility of the club operating a radio station for demonstration purposes during the Veteran's Day week-end which takes place the week-end of November 10 and 11th. Details to be discussed and finalized at the October club meeting.

No other business prevailing, the floor was then given to N5TT, the club President, who presented the program for the evening. The program consisted of films of the European countries that the club President visited on his tour last June. The films were very colorful and the sites and scenery of the European countries are as beautiful as expected.

At approximately 8:40 p.m. the meeting was adjourned.

Respectfully submitted,
